

CURRICULUM VITAE : Shabir A Madhi

Professor Shabir Madhi

Date of Birth: 28 November 1966

Nationality: South African

1. Most Recent Current and Past Work Positions:

- i). Executive Director: National Institute for Communicable Diseases, National Health Laboratory Service. (2011-Current)
- ii). Professor of Vaccinology; School of Pathology; Univ. of Witwatersrand (2008-current)
- iii). Chair: Department of Science and Technology/ National Research Foundation – Vaccine Preventable Diseases. (2008 -current)
- iv). Co-director: University of Witwatersrand/MRC Respiratory and Meningeal Pathogens Research Unit. (2007 -2013)
- v). Director: University of Witwatersrand/MRC Respiratory and Meningeal Pathogens Research Unit. (2007 -2013)
- vi). Honorary Consultant: Department of Paediatrics. (1997 -2005)

2. PROFESSIONAL QUALIFICATIONS

- 1990: Bachelor of Medicine and Bachelor of Surgery (MBBCh); University of the Witwatersrand, Johannesburg
- 1996: Fellow College of Paediatrics (FCPaeds (SA); College of Medicine of South Africa
- 1998: Masters in Medicine (MMed Paediatrics); University of the Witwatersrand, Johannesburg
- 2001-2010: Sub-speciality registration - Critical Care Paediatrics. Health Professional Council of South Africa
- 2003: PhD (Health Sciences); University of the Witwatersrand, Johannesburg.
- 2010: Sub-speciality registration – Infectious Diseases. Health Professional Council of South Africa

3. MEMBERSHIP OF PROFESSIONAL BODIES/ASSOCIATIONS

- i). Member: South African Medical Association (1996-)
- ii). Fellow: College of South Africa (1997-)
- iii). Member: South African Paediatric Association (1997-)
- iv). Member: Critical Care Society of South Africa. (2002-2009)
- v). Member: Federation of Infectious Diseases Society of South Africa. (2002-)
- vi). Member: European Society of Paediatric Infectious Diseases (2003-)
- vii). Deputy-president: Southern African Society of Infectious Diseases (2008-2013)
- viii). Board member : International Scientific Committee – World Society of Paediatric Infectious Diseases (2008-2013)
- ix). Board-member: World Society of Paediatric Infectious Diseases (2009)
- x). President: World Society of Paediatric Infectious Diseases (2010-2013)

- xi). Board Member: International Symposium for Pneumococci and Pneumococcal Diseases (2009-Current)
- xii). Member: Academy of Science of South Africa (2012-Current)
- xiii). International Scientific Committee Member of International Society of Infectious Diseases (2013-Current)
- xiv). Chair: International Scientific Committee of World Society of Paediatric Infectious Diseases (2013-Current)
- xv). President: Southern African Society of Infectious Diseases (2014-Current).

4. ACADEMIC DISTINCTIONS/FELLOWSHIPS

- 1989: University of Washington, St Louis, USA. Exchange student. (Full scholarship)
- 2000: Scholarship to attend: *Biostatistics course*: International Center of Diarrhoeal Diseases and Research and Development, Bangladesh, Nov 1999.
- 2001: Scholarship to attend: *1st Advanced Vaccinology Course*- Marcel Merieux Foundation Institute, Annecy, France, May- June 2000.

5. AWARDS

- 2001: Watkins-Pitchford prize. Award Re: Best contribution to the literature during the year 2000 by a member of the South African Institute for Medical Research staff of less than 10-year standing.
- 2004: Faculty Research Price for best Research Article.
- 2006: European Society for Infectious Diseases, Young Investigators Award.
- 2009. Special Fellowship Award- Past Alumni Invite to Celebrate the 10th Anniversary of the Advanced Vaccinology Course; Annecy; France May 22-25th 2009
- 2009. National Science and Technology Forum: TW Kambule Award: Senior Black Researcher over the past 5-10 years.
- 2010. NRF President's Award for: Transformation of the Science Cohort.
- 2010: Vice-Chancellors Award for Research. University of the Witwatersrand.
- 2011: National Research Foundation A2 rating.
- 2013: Medical Research Council: Life Time Achievement Award (Platinum Medal)

6. NATIONAL RESEARCH FOUNDATION RATING: Category A2 (Effective 2011)

7. OTHER INTERNATIONAL TEMPORARY APPOINTMENTS/ CONSULTANCIES

- 1998-2001: Temporary Consultant to World Health Organisation pneumonia-radiology working-group.

- 1998-2001: Temporary Consultant to World Health Organisation “Respiratory syncytial virus in developing countries” working group.
- 2001: International Faculty member of the “Global Health Course” program initiated by Department of Health, Finland.
- 2003: Temporary Consultant to World Health Organisation: Management of Acute Respiratory Tract Infections in Countries with a high Prevalence of HIV-1 Infection.
- 2003: Temporary Consultant to World Health Organisation: Reviewer of proposal for: “Alternate Schedules for Introducing the Pneumococcal Conjugate Vaccine into Developing Countries”.
- 2003: Temporary Consultant to World Health Organisation: “*Haemophilus influenzae* type b prevention in Sub-Saharan Africa”
- 2003: Technical advisor: Activities in Research and Development Necessary to Accelerate the Introduction of Pneumococcal Conjugate Vaccine Use in Developing Countries. GAVI PneumoADIP.
- 2005: Technical advisor: Introduction of Pneumococcal Conjugate Vaccine Use in Developing Countries. GAVI PneumoADIP (London; United Kingdom).
- 2006: Temporary consultant to NIH/NIAID: WHO Essential care and Prevention Meeting (Switzerland).
- 2007: Temporary consultant to WHO: Global Action Plan for Pneumonia (La Mainaz France, 3rd-5th March 2007)
- 2007: Temporary consultant to Gates Foundation: Pneumonia Consultation Meeting. (Seattle USA, 3-6th May 2007)
- 2007: Invited Participant (African Representative): Global Vaccine Safety Datanet Meeting (Annecy, France: 11-13th Sept 2007)
- 2007: Consultant/Faculty: Physicians Academy for Clinical and Management Excellence. 1st Pneumonia Working Group Conference. (Seoul; South Korea. 14-15th December 2007).
- 2008: Invited participant: Global Burden of Disease: Respiratory syncytial virus. (Edinburgh, Scotland: 28-29th January 2008).
- 2008: Temporary consultant WHO. Global Action Plan for Pneumonia. (Geneva, Switzerland: 25-27th February 2008).
- 2008: Technical Advisor: GAVI PneumoADIP (Rome, Italy: 10-11th March 2008)
- 2008: Faculty Member: Global Masterclass on Childhood Bacterial Respiratory Diseases. (Brussels; Belgium: 29-30th March 2008)
- 2009-current: Advisor: Supporting National Independent Immunization and Vaccine Advisory Committees: The SIVAC Initiative. 29th May 2009; Paris; France
- 2009: Temporary Consultant World Health Organisation: Meeting to review WHO recommendations for the management of diarrhoea and pneumonia in the context

of HIV infection in infants and children. 19-21 October, 2009; Geneva, Switzerland.

- 2009-2010: Technical advisor/Consultant: Pneumonia Etiology Research for Child Health (PERCH); Johns Hopkins Bloomberg School of Public Health. 8-10th Sep 2009; Washington DC, USA.
- 2011: Invited participant: Bill and Melinda Gates Foundation: Maternal Influenza Immunization: Evidence, Policy Consideration, and Action Plan Convening Gates. 1-3 June 2011. Hyatt Regency London; London.
- 2010-2011: Member: Scientific Monitoring Board: HIV Vaccine Trials Network (HVTN)
- 2012: Temporary consultant: Optimizing rotavirus immunization schedules. WHO Ad Hoc Expert Consultation on Rotavirus Vaccination Schedules. 13-14 February 2012. WHO, Geneva.
- 2013-Current: Member: Bill and Melinda Gates Foundation: Global Health Program Scientific Advisory Committee.
- 2013: Advisor: RSV Vaccines for Maternal Immunization. PATH. 11 July 2013. Washington DC.
- 2013: Participant. Measuring short and long-term vaccine impact of PCV. World Health Organisation. Crowne Plaza Hotel, in Geneva, Switzerland. 16-19 September, 2013.

8. SUPERVISION OF HIGHER DEGREES (EXCLUDING POST-DOCS)

Student Initials:	Years super- vised	Degree	Date completed* /expected completion	Institution	Race	Gender	Nationality
D Ruffini	2	MMed	2001*	Univ Wits	W	F	SA
M Htay	2	MSc	2001*	Univ Wits	B	F	Burmese
G Sorours	2	MMed	2004*	Univ Wits	W	F	SA
